Zoho CRM Consultant for Construction Company

★★★★★ 5.00 | Oct 15, 2023 - Oct 17, 2023 

"I recently hired Paul to implement Zoho CRM and Automations for my business, and I couldn't be happier with the results. Paul is an absolute gem to work with, is a true professional, consistently demonstrating exceptional technical skills and a deep understanding of my business needs. His communication skills are par excellent. Paul provided excellent & honest recommendations and offered creative & ingenious solutions to any challenges that arose during the project.

What makes him different is that his experience of understanding the business processes compliments his ability to provide technical solutions. Paul definitely went out of his way and delivered more than what I expected the CRM to do.

Overall, I would highly recommend Paul to anyone looking for a skilled and reliable freelancer with great communication skills. He is definitely worth the fee he charges as his professionalism, expertise, and attention to detail are truly exceptional."

"Paul was engaged to generate a complex report from an existing Zoho CRM. He completed the task quickly and without any issues. Paul's knowledge of Zoho CRM also helped us uncover lots of ways we can use the system to improve what we're doing in our business. I highly recommend Paul and will use him in the future for any Zoho CRM related task we have."

3. Zoho One & Monday Implementation for a Consultancy

Australia based CRM Expert with Monday.com & Zoho Experience

★★★★★ 5.00 | Feb 5, 2024 - Feb 5, 2024 

"Paul is the best CRM & automation consultant I have ever come across. He possesses Exemplary communication skills and ensured that every detail of the implementation process was clear and transparent. Paul's attention to detail is remarkable, he meticulously configured both platforms to suit our specific needs, leaving no stone unturned.

What truly sets Paul apart is his integrity; he approaches his work with honesty and dedication, always prioritizing what's best for the project and the client. Furthermore, Paul's timeliness is commendable; he consistently met deadlines and kept the project on track without compromising quality.

In summary, Paul is not just a CRM consultant; he is a trusted partner who goes above and beyond to deliver outstanding results. I wholeheartedly recommend Paul for any CRM or project management implementation, knowing that his expertise and professionalism will exceed expectations." [less](#)
