1. Monday.com Implementation for an Education Business

Australia based CRM Expert with Monday.com & Zoho Experience

★★★★★ 5.00 | Feb 5, 2024 - Feb 5, 2024 

"Paul is the best CRM & automation consultant I have ever come across. He possesses Exemplary communication skills and ensured that every detail of the implementation process was clear and transparent. Paul's attention to detail is remarkable, he meticulously configured both platforms to suit our specific needs, leaving no stone unturned.

What truly sets Paul apart is his integrity; he approaches his work with honesty and dedication, always prioritizing what's best for the project and the client. Furthermore, Paul's timeliness is commendable; he consistently met deadlines and kept the project on track without compromising quality.

In summary, Paul is not just a CRM consultant; he is a trusted partner who goes above and beyond to deliver outstanding results. I wholeheartedly recommend Paul for any CRM or project management implementation, knowing that his expertise and professionalism will exceed expectations." [less](#)

2. Monday.com Implementation for a Property Business

Contact Person – Maria

Linked In - <https://www.linkedin.com/in/maria-del-borrello-1410881a/>

Monday.com automations and integrations

I highly recommend Panjak for anyone who needs assistance with 📌. Panjak is extremely knowledgeable, professional and provided excellent consulting services. Panjak helped us understand how we can use 📌 more efficiently in our business. His knowledge with integrations and automations and teaching us how to use these tools has enabled us to save so much time in our daily tasks. We have no hesitation working with him again.

3. Project Management Consultancy Implementation

Monday.com Project Management training

Pankaj was able to listen to my problem space and provide some good advice/direction for me to determine my next steps.

4. Construction Company Implementation

I need help with Monday.com

It was great working with Pankaj. Very easy and quick. Problem solved.

5. Monday.com CRM for an Software Consultancy

CRM expert needed for automation

Paul is an absolute gem to work with. His knowledge of CRM & Business Process Automation is exemplary. He is methodical in his analysis and crisp in his communication. He asks the relevant questions and provided amazing technical solutions. Overall, I would highly recommend Paul for any CRM consulting tasks.

6. Monday.com CRM Implementation for a Recruitment Company

Make a CRM for job applicant tracking

Paul was very helpful and knowledgeable about he's CRMs. Had to pivot the task but he done it very quick and efficient
